

## Declaration of Conformity (DoC) CE Declaration of Conformity No HW/2/2019

### Distributor / Introducer:

MERCOR Light&Vent Sp. z o.o., ul. Grzegorza z Sanoka 2, 80-408 Gdańsk, Poland

### We declare that the product described below:

Name: Axial fan  
Type: mcr MONSUN / BO – all dimensions  
Serial number: according to the nameplate, all manufactured  
Date CE marking: 2019

### It complies with the requirements specified in:

2006/42/CE  
2014/30/EU  
2006/95WE

The product is designed and manufactured in accordance with the following standards, in relevant parts.  
EN 60204-1 Safety of machinery – Electrical equipment of machines – Part 1: General requirements  
EN ISO 12100 Safety of machinery – General principles for design — Risk assessment and risk reduction  
EN ISO 13857 Safety of machinery – Safely distances to prevent hazard zones being reached by upper and lower limbs

### Purpose and scope of application of the product:

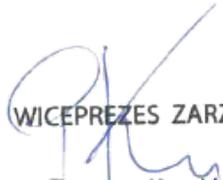

Axial fan type mcr MONSUN / BO is designed for work units in general/comfort ventilation systems (transport of a medium with a specific specification after being used in a machine within the meaning of Directive 2006/42/EC).

The Introducer is not responsible for parts or components added or assembled by the customer.

The technical documentation for the product is located at the MERCOR Light&Vent Sp. z o.o. production plant in Cieplewo, ul. Kwarцова 3A.

### The fan can work with the following accessories:

Mounting feet, protective grids, flexible connections, counter flanges, shock absorbers, silencers, start-stop service switch, frequency converter, automatic return damper
